

Founders Seek Bradford House Lease

With the fate of the Bradford House hanging in the balance, concerned citizens of the City of Placentia have banded together to reactivate the Placentia Founders Society and petition the Placentia City Council to lease the home to the organization for \$1 a year, it was reported this week.

Formal application was made Tuesday night at the time called by the council either for bids to relocate the 6,000 square foot home or to

demolish it.

A flurry of activity has been evident among civic leaders in opposition to the house's demise since city council members voted unanimously to accept bids to dissolve the Bradford House problem. Among the areas of concern has been a public vote on the April, 1976 ballot which indicated that tax payer money not be spent to save the home.

The citizens group would depend

on private endeavors.

Scheduled to appear before the city council was local attorney Robert Whitmore, who has been assisting the Founders with reestablishment of the organization, lending legal counsel and serving as an ex officio member of the board.

Other activity has included the beginning of "Friends of the Bradford House" to raise money by \$10 personal subscriptions to pay the insurance on the home, one of the

first considerations that would be required.

The Founders Society, whose present president is Sylvia Hoskins, is expected to report sufficient funds on hand to cover insurance costs on the home, including monies that have been pledged if donors had some reason to believe that the house will be saved. Among these is a \$1,000 donation from Ranney Draper, Newport Beach, president of Diversified Shopping Centers.

Developers of Placentia's Town Center, who had indicated he also will serve on the Founders Society advisory board.

The official board now consists of Mrs. Hoskins, Clairee Tynes, Bonnie Steele, Ruth Ellis, Charles Barranco, manager of the Bank of America in Placentia, Charles Arnoldt, coordinator of career education for the Placentia Unified School District and Betty Mead, editor of The Placentia Courier.

Advisory board members will be sought who are interested in the project, will donate their services and can bring the needed expertise to make the home a successful venture, it was outlined. This would be expected to include professional architects, designers, decorators, construction personnel and a professional insurance source.

There have been some petitions along this line and acceptances from professional people, it was indicated.

Board members petitioning Tuesday night in a formal statement queried council:

Whereas, the Placentia Founders Society, a California non-profit corporation was formed for the specific purpose of receiving contributions and making donations to preserve the Bradford House and;

Whereas, all efforts by other groups to preserve said house have

Placentia, California Wednesday, January 21, 1977

10 Cents Per Copy

A NARROW ESCAPE saved Placentia motorist Mark Swayne Coss, 36, of 207 San Carlos, who apparently lost control of his Javelin and catapulted across Yorba Linda Boulevard west of Linda Vista. The automobile sheered off a tree, knocked off part of the retaining wall buffering the Carbon Canyon Creek Channel, which plummets dangerously at that point, hit a sign in front of an apartment complex, a 1967 Ford parked in the driveway of the apartments and knocked open a gas meter. The accident occurred early Saturday morning.

TENANTS WERE EVACUATED from the apartment complex as a precautionary measure after the accident permitted raw gas to escape from the broken meter. Firemen kept the gas line doused with water until the gas could be turned off. The accident occurred shortly after 1 a.m. Other pictures on Page 13.

Heavy Correspondence Surrounds Shapell Homes

A rash of correspondence between homeowners living in the plush Placentia Village Estates, built by S and S. Shapell Industries bordering the Atchison, Topeka and Santa Fe tracks and the construction firm, was introduced to city council Tuesday night.

The correspondence appeared indicative of noise problems emanating from 10 to 40 trains a day

on the Santa Fe mainline that runs through Placentia. Residents living in the \$80,000 and \$100,000 homes have complained bitterly of noise seepage and other construction problems.

Following their first outcry, sound tests were made in July, 1976. The homes failed to pass the test for noise attenuation, the large sheet of correspondence and memorandums

indicate.

Effort at that time however appeared to concentrate on the railroad, rather than modification of the homes. It was suggested that the train slow down. The City of Placentia passed an ordinance making it illegal for the train to whistle through the city and it was hinted that there might be problems with the roadbed of the train.

In recent developments, the Placentia City Council voted to refuse occupancy permits to eight homes, within 300 feet of the railroad, that Shapell is now constructing. City council tied the eight unfinished homes to those occupied some of which failed to pass the noise attenuation test a second time, even with the quieted whistle.

A letter to the city council from Shapell senior vice president Bernard E. McCune, Long Beach, pointed out that a crash program has now been started to get the eight withheld homes in compliance so they can be occupied.

Since the eight homes mentioned above were unoccupied, this

(Continued on Page 2)

\$11.5 Million Sought In Police Melee

A claim for \$11,517,900 over the circumstances of the arrest of William Floyd Curling of Yorba Linda involving nine Placentia Police Officers, is being sought from the City of Placentia.

The bizarre series of events began with what Placentia police records describe as a high speed drive north on Rose Drive with a Placentia Police unit following Curling's 1976 yellow Cadillac.

The eventual arrest took place in Curling's shower inside his home. Charges made against Curling were for resisting arrest, driving under the influence of alcohol and assault on a peace officer with a deadly weapon, an automobile.

Placentia police records allege that on October 4, 1976, Police Officer Randy Worrell observed Curling fail to stop behind the limit line at Rose Drive and Orangethorpe Avenue, and end up in the intersection.

The police unit caught him again at Rose Drive and Yorba Linda Boulevard where Curling stopped for the blinking red light. The unit estimated his speed between 89 and 90 miles per hour.

Curling, the report alleges, continued north on Rose Drive at 90 miles an hour. At this point another police car was requested.

Curling's car turned on Weyburn in Yorba Linda where it stopped.

Police reports allege there was a strong odor of alcohol in the car that Curling's eyes were bloodshot and his speech slurred. He left his car motor running, the report states.

The next officers on the scene were Officer Charles Chavez and Reserve Officer Sharonell Gustafson, a woman.

Curling, the report states, would not alight from the car, refused to take a field sobriety test and would not turn off his car's engine.

\$1,027,000 In Funds For Atwood

A more than ample supply of money, \$1,027,000, appears to be available for a major upgrading improvement program for Placentia's Atwood area, the southeast section of the city.

The project will include the construction of sewers, storm drains, street improvements, curbs and gutters and sidewalks.

The first monies, estimated to total \$42,000 in a three-year grant came from an Orange County federal application. Of this amount \$210,207 already has been received.

An additional grant of \$635,000, which in itself may pay for all of the

project, except some of the sidewalks, has been verbally assured from monies of the Public Works Employment Act of 1976, administered by the Economic Development Administration.

The latter funds are expected to be put to work in 90 days in an effort to help combat unemployment.

Ben Minamide, Director of Public Works for the city of Placentia recommended to council Tuesday night that construction proceed with the EDA grant. The unused portion of the \$392,000 HCD monies could be spent for other projects, he pointed out.

Public Invited To Prayer Breakfast

On Friday morning, January 28, at 7 a.m., the Placentia Ministerial Association and Mayor George De Jesus of the city of Placentia are sponsoring a Mayor's Prayer Breakfast at the Alta Vista Country Club.

Speaking on the subject of prayer as it relates to daily living will be Dave Peters who is a city councilman for La Mirada and a political science professor at Biola College. The

program also will have special music and will conclude with representatives from various parts of the community leading in prayer for the city of Placentia.

The cost of the breakfast is \$2.15 per person. Tickets may be purchased in advance from Fred West, Ministerial Association Chairman at Calvary Church of Placentia (528-1174) or purchased at the Mayor's Prayer Breakfast.

City Administrator Asks For New Car

Revisions in the city's \$6.5 million budget were scheduled to go before city council Tuesday night, including funds for a new \$6,826 automobile for City Administrator Edwin T. Powell.

Powell's present automobile, it was explained, is over two years old and has required repairs. Frank Dunnivant, Director of Finance for the city said that repair bills in the past six months have totalled \$367.

The car has over 40,000 miles and has recently had the transmission repaired three times, the power steering unit, the water pump, heater control valve, drive train, shock absorbers and the air conditioning unit serviced.

The city administrator's present car has a trade-in value of \$3,400, it was estimated.

Powell's basic salary is in the \$39,000 a year range, plus extensive benefits. Citizens of Placentia also provided him with an automobile which he is allowed to use as a personal car with some restrictions.

Other recommended acquisitions in the revisions, include a mobile file at \$159; and request from the police department for \$2,412 for equipment including \$785 for four prisoner transportation shields; \$742 for four fiberglass rear seats; \$583 for an SK-9C transmitter and \$300 for furnishings for the ladies lounge.

The maintenance department requests \$170.85 to replace a stolen post puller.

Also included on the list is a \$5,000 item for the conversion of a

(Continued on Page 2)

It's 0 to 0 But The Game's Still On

It may take Bowie Kuhn to settle this mess. Or the Oakland Raiders. Admission to the game is free, however and no one has to go any further than Bradford Stadium in Placentia, or the El Donado tennis courts to watch the whole thing.

The protagonists are favorites. One team is called City. The other Schools.

Although final scores aren't in the game is definitely in progress.

The first encounter could have been held on Orangethorpe Avenue. That's where the strips of unpaved street are...in front of school property.

They're unpaved, the Schools state, in the first blow in the sparring match, because the state building program does not allow money for that sort of thing.

Back to the City, which counters: But everybody pays for their own paving. Look at City Hall. The City had to pay to pave in front of its own place.

That's different, fights back the Schools. You've got gasoline paving

tax. There was a brief preseason skirmish in the City Council chamber stadium when the subject was first brought up. And then the coaches decided to get together. That's impressive in itself.

There is the City Coach, Edwin Powell, City Administrator. And if the game turns out to be basketball, it is rumored wise money is on the City. Powell used to play for John Wooden and picked up a point or two.

However, it's high school athletics and perceptual training, the points are going to go to School Coach John O. Tynes, who wrote the book.

It could even come out even money, which is exactly what the contention is all about anyway. Who pays for what?

Both teams got together at the Schools Headquarters stadium not too long ago. Mayor George De Jesus and his team on one side of the table. And School District Vice

(Continued on Page 2)

City Ponders Ending Commission

An ordinance to abolish the city's Beautification Commission was scheduled to be introduced Tuesday night at the Placentia City Council meeting.

The commission has been operating at less than full membership for over a year, Jim Eyre, chairman of the group confirmed this week.

The group originally had seven members but is now functioning

with five: student Zail Berry, Eyre, Renee Spiro, Edward Houston and Betty Nadridge.

The city council resolution explains that the major beautification projects for the commission have been largely accomplished and are now a part of existing city programs. Also that the body now has a decreased work load insufficient to continue its existence.

Jack-In-The-Box Unanimously Denied

A Jack-in-the-Box drive-through restaurant that could petition to operate 24 hours a day, was resoundingly turned down last week by a unanimous vote of the Placentia Planning Commission in front of a room full of approving parents and neighbors.

The fast food establishment is seeking to locate in the Sierra Vista Shopping Center at the corner of Bastanchury Road and Placentia Avenue, directly across the street

from Sierra Vista Elementary School.

The audience, packing the City Hall chambers voiced their objections to establishment of the eating place in the center and in such close proximity to the school. Youngsters, it was pointed out, use the sidewalks around the center to exit and enter the school facility.

Several spokesmen from the neighborhood brought along petitions...one with 61 signatures,

another 37 and a third 20. Planning commission chairman Lee Van Gorden hesitated to accept them but was reassured by City Attorney Charles Post III that it was not an improper procedure.

Speakers also included a representative from the Sierra Vista PTA as well as a dozen neighborhood spokesmen. Ed Mier, speaking for the Placentia Unified School District, pointed out that Placentia Avenue is "now pushing 8,000 cars

a day," and predicted that the problem would be further aggravated by the addition of a drive-through restaurant.

Other speakers and commission members mentioned the internal shopping center traffic problems that might be generated by the eating establishment and one spokesman called the restaurant "an attractive nuisance."

Attorney George Bean said that

WHAT'S GOING ON AT VALENCIA? Valencia teacher Mike Cummins runs in the 24-hour relay, that took over the campus Saturday. Above, on the left, he sprints his final lap as time runs out.

A LOT OF DETERMINATION was exhibited by a team of 12-year old girls from St. Josephs who ran the 24-hour relay with no conditioning. Here Julie Pizzarello takes the baton from Laurie Kampa as Laurie finishes her mile. The girls ran 139 miles, 1,320 yards in 24 hours. How did they feel? One girl commented "Take me home Daddy, I want to take a hot shower, rub down with horse liniment and sleep."

Photo by Jane Caswell

ON THE MOVE—Kim Silva takes the baton from Joey Gomez as the varsity chalks up another mile.

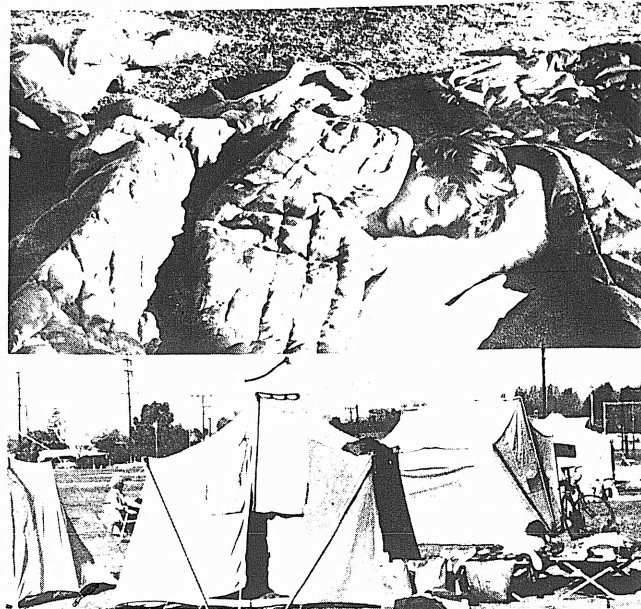

Photo by Jane Caswell

FINISHED—Valencia freshman Jim Weidler slept through the end of the relay as his turns were over. The Tiger freshman set a new county record for the 24 hour run with 215 miles, 1,499 yards. The old record was set by Valencia in '72. Also running was Canyon girls coach Mark Sayward who ran 104 miles, 490 yards in the 24 hours, the first fifty miles in 7 hours 58 minutes, 37 seconds.

SHELTER AT HAND—participants in the 24 hour relay set up tents on the practice field so they could rest between their turns to run.

Letters To The Editor

Objections To Drive-In

Editor:

Your paper does a good job in trying to keep residents informed, but many do not read the legal notices so an item came before the Planning Commission Tuesday night that surprised many people. Jack-in-the-Box requested a permit for a drive-thru restaurant at Bastanchury and Placentia.

The permit was denied, but may not be dead. The restaurant can still appeal to the City Council on February 1st. Only 16 homes fall within the 300 foot area for official city notification, but the response at

the Planning Commission showed that more than 16 homes have strong feelings against this application.

I hope all readers in that area will watch carefully for such an appeal and if it is made, attend the City Council meeting. They don't have to speak at the meeting, just stand up and be counted. Those who cannot attend, can write the City Council or call. We are the people to be served by this restaurant and if we don't want it, we should make our voices heard.

Sincerely,
Mrs. Grace A. Rice

Interest in Bradford House

Copy to the Courier—
Mayor
City of Placentia

Dear Sir:

As a member of the Orange County Historical Commission may I point out that the City of Placentia has not, based on the information available to me, done everything possible concerning possible financing for the Bradford House.

For some months now we have been waiting word from you concerning the City's view on the Ontiveras Adobe. In this matter the county does have an interest.

Since the passage of Proposition One, state funds for preservation of historical sites are available. However, the county and the state cannot act until the City takes some action. To the best of my knowledge no action has ever been taken by our body asking for us to take further action on either the Ontiveras or the Bradford House. The only action concerning the Bradford House came to this body from a group of citizens within the city.

I personally think the house should be preserved and this is why I sent you my personal copy of new state regulations concerning structures designated as historical which would reduce fire codes. I asked that they be returned and had neither the courtesy of a reply nor the return of the codes. It is possible, of course,

that they were intercepted in City Hall and never given to you, also. The Orange County Historical Commission meets Tuesday afternoon.

My official agenda shows no action item concerning the Bradford House. The minutes show that I brought it up and discussed the matter at the last meeting.

This is not to say that it could not be discussed "off-agenda" at Tuesday's meeting. As we both know things do get discussed and action is taken on items which do not appear on the agenda.

I feel most strongly that the Bradford House should be saved and pledged to you that I will pursue every avenue for financing if your body will only take some action asking us.

To make my position clear I am not nearly as sure concerning the Ontiveras, which is why I thought it should be discussed prior to any final action.

However, my view is not the majority one on the County Commission and if your body, once more, waits until the last minute and against puts another historical site in jeopardy, I think you will find that many persons in the county will ask you to take action on that site as well.

Sincerely,
Cecil F. Rospaw,
Placentia
Commissioner Orange County
Historical Commission

Yellow Cab Seeks Rate Increase

The Yellow Cab Company, which services Placentia, is seeking approximately a thirty per cent increase in fares in an application made to city council Tuesday night.

The last increase the company received was three years ago.

Sought by the firm are a hike in rates for the first 1.6 mile from 60 cents to 80 cents; 20 cents for each additional third mile now becomes

additional quarter mile; and an increase in waiting time and traffic delay from \$7.20 per hour to \$9 per hour.

The new rate, the firm estimates, would increase the cost of an average trip (three miles) from \$2.40 to \$3.20, a difference of 80 cents.

Decision was expected to be made by the council Tuesday night.

Undergrounding Utilities

An underground utility district on Chapman Avenue, stretching from Placentia Avenue to 138 feet east of Anned Drive was scheduled for a public hearing Tuesday night before City Council.

The undergrounding, which is expected to be completed by August 1, 1978, is anticipated to cost approximately \$224,000 for electrical and telephone lines involved.

Affected by the undergrounding are several parcels around the Chapman widening project running from Murray Street to Anned Drive.

Estimated costs of undergrounding are \$700 for a medical office building at 530 West Chapman owned by Bob Snell; \$300 for the Marcos Yorba building at 415 West Chapman Avenue; \$300 for the Refugio Rios home, 101 South Melrose and \$300 for the Thomas

Munoz home, 220 West Chapman. The lesser amount represents telephone only and the greater, telephone and electricity.

The other properties involve buildings where the front structures are scheduled to be demolished. The assessment for Peter Laborde's properties is estimated at \$550 and for Mamie P. Daniels, 209 West Chapman \$1,070. Laborde properties run from 211 to 223 West Chapman including four separate buildings.

Included in the proposed district would be the modification of nine existing street lights between Anned and Angelina Drives converting them from the Cobra type to the Mission Bell. Cost to the city for the conversion is expected to be \$3,600.

Police Episode

(Continued from Page 1)

The report alleges that Worrell reached for the keys and Curling accelerated the car dragging the officer a short distance.

Chavez, who avoided being hit, pursued the vehicle on foot and Reserve Officer Gustafson followed in a unit. Chavez saw Curling enter the driveway of his home on Roxdale Drive and enter his house where Mrs. Curling was standing at the door. He tried the door but it would not open. Chavez entered and pursuing Curling found his clothes on the floor of the master bedroom and the suspect nude in the shower, the report alleges.

Curling, who is six feet tall and weighs around 225 pounds, the narrative continues, refused to exit from the shower and, being large and slippery, "additional assistance was required." The next officers to

arrive were Police Agent Tony Kelly, Police Officer Steve Van Eiten and Reserve Officer Douglas Wayne Gorman. That pitted several police officers against Curling who was still in the shower.

The suspect, the report alleges, struck, grabbed and kicked at Chavez tearing his uniform and causing injury. He was eventually taken into custody causing damage to the bathroom. Curling was then transported to the Orange County Jail.

On further reports on the episodes, it was alleged that Agent Kelly struck Curling and Curling struck Kelly. At the end of the scramble as Curling was being handcuffed, Sgt. Alan Welch, Sgt. Darryl Thomann and Investigator David Mitchell arrived at the home for a total of nine police officers. The

latter three arrived in time to assist with Curling's removal from the residence, the report states. At this point the Brea police, who service Yorba Linda, were notified.

The removal of Curling naked from the shower appeared to be the basis of the legal complaints alleged by Curling, his 15-year-old daughter and his wife. All complain of the police dragging Curling out naked in front of his wife, daughter, and neighbors who had gathered outside on the lawn, brought to the scene by the commotion.

Placentia police, however, contend they threw a blanket around Curling, abandoned it when they found out it was an electric blanket and then wrapped Curling in a sheet.

Curling was eventually transported, according to the reports, to UCI Medical Center for treatment of his wounds and the police officers injured went to Placentia-Linda Community Hospital.

The suspect required stitches in

his lip and x-rays were taken of his head and stomach.

According to the reports, a jail deputy got a choke hold on Curling's neck and brought him to the floor of the holding cell. He thrashed wildly and it took two deputies to restrain his arms and legs and another to apply a sharp blow with his knee, it was noted.

The Placentia police report was not completed for 20 days, it states, because Officer Van Eiten, whose accumulated overtime leaves were brought to public attention during the Officer Gene Cagon personnel hearings, was on vacation and unavailable.

Also mentioned in Mrs. Curling's claim is that "an unknown female officer falsely imprisoned claimant without reasonable, probable, lawful or just cause by restraining and confining claimant on her own premises and by preventing claimant from entering into her own home at the time certain of said officers had intruded therein to beat claimant's husband."

Homes By The Tracks

all houses at the second level have a dual window in all windows with a line-of-sight to the railroad. In some houses it is recommended that walls be raised to eight feet.

Included at the beginning of the voluminous correspondence was an offer to the homeowners from Shapell attorney Larry B. Fagin to purchase the houses back from the disgruntled owners at the purchase price of the home plus the upgrades bought from Shapell or its subsidiaries.

At a later date, closing costs, title insurance, the cost of certain impracticable improvements and in

some cases the cost of moving were added to that amount.

By October the homeowners had hired attorney August G. Carloni to represent them and correspondence from attorney Fagin indicated that a deduction of \$3,300 per home in the repurchase price would be imposed "representing approximation of the cost to refurbish and the cost of carrying the house until it is resold."

Other correspondence in the packet included letters from Carloni on behalf of each of the homeowners. Some of the letter

mentioned double glazing windows and providing air conditioning as solutions. Some related other construction problems the homeowners considered unsolved.

The disagreement advanced at one point to the intent of one homeowner to file a complaint with the State Contractors License Board over repairs to his home.

The Shapell homes in contention lie on the south side of Chapman Avenue north of Orangethorpe Avenue. The company has plans to build several other residential developments in Placentia on lands owned by the Kraemer families.

City vs. Schools

(Continued from Page 1)

President John Balducci and his on the other. The Schools were one member short, however, President John Press, who never misses a meeting, missed one that night.

The game progressed. If you'll pave our streets, we'll resurface your tennis courts, Coach Tynes suggested. Buck for buck. According to the Schools' scoring system, the City agreed.

But back in their home stadium, City Council Chambers, the City in an instant replay, didn't think that's the way the game turned out.

City player, Virginia Farmer pointed out that on such things as resurfacing tennis courts, that's through the Civic Center agreement

and that's a fifty-fifty proposition. What the City really meant was the Schools are to reimburse the City for the paving and still assume its share of the responsibility of resurfacing the tennis courts?

Confused? Yes, say the School team meeting Monday night back on home territory. And foul. That's not what happened. Who was keeping score anyway for the joint meeting fracas held at the School Administration Offices Stadium.

"We each kept our own minutes," Wilma Stayner, secretary to Coach Tynes added helpfully.

"It's impossible to work this out at staff level," Coach Tynes contribut-

ed.

Someone suggested sending in the second team. "How about President John Press?"

Press said that he would be happy to carry the ball, but he thought he should point out one thing. He hadn't attended the first meeting and really didn't know where to begin.

"That might even be a help!" one of the board members suggested resignedly.

The final score will be in the neighborhood of \$22,000, Dr. John Mullender, assistant superintendent posted helpfully on the School scoreboard.

Local Dentist Suspended For 30 Days

Dr. Robert J. Genc, 302-A Palm Drive, Placentia, has been suspended for 30 days, stayed 3 years, from the practice of dentistry, effective December 17, 1976, the California State Board of Dental Examiners

reported.

Disciplinary action by the board stemmed from the charge of aiding and abetting an unlicensed person to practice dentistry, the report states.

\$106,000 Eyed For Widening Of Melrose

An estimated \$106,000 will be required to widen Melrose Street between Orangethorpe Avenue and Crowther Avenue, a report presented to the city council Tuesday night outlined.

Cost of the project will be borne equally between the city and the

county it was explained to the council. Included in the amount are costs for design engineering, right of way acquisition, construction and construction engineering.

The city staff was recommending approval of the project which was placed on the consent calendar.

New Automobile

(Continued from Page 1)

new building in Wagner Park for use as restrooms.

An additional \$1,225 is requested for travel and meeting expenses of city council members above the first amounts estimated.

Other items listed include an additional \$1,356 for code revisions and \$300 for a recreation facilities study.

An additional \$8,600 is expected to be required for light, power and water used in park maintenance.

Report

There are 717 youngsters attending three private schools in the city of Placentia with St. Joseph's Catholic Church Elementary School carrying the largest enrollment.

MENU MONEY—Mrs. Trudy Davis, treasurer of the Placentia Round Table Thrift Shop, is presenting a check for \$287.58 to the Meals on Wheels program. The contribution was made possible by the local patrons participation at the Round Table Thrift Shop's one-day pre-Christmas sale. Accepting are Rhoda Hess, office manager; Richard Light, president and Arlene Vidovich, secretary.

\$4 Million For Schools

Trustees of the Placentia Unified School District at a recent meeting, approved the expenditure of up to \$25,000 for an architectural study of remodeling and renovation of Valencia High School and Kraemer Junior High.

The contract was awarded to Davis-Duhamme Associates of Anaheim to provide drawings of modifications that are needed at the two schools.

An estimated cost of the overall project is \$3 million for Valencia High School and \$1 million for Kraemer.

In background material on the project, Dr. John Mullender, assistant superintendent of schools, administrative services reported to superintendent of schools, John O. Tynes that money for the project might be obtainable.

"With the recent award of federal grants for public works at neighborhood districts, I recommend strongly that we employ Davis-Duhamme Associates to provide plans and specifications for the renovation of Valencia and Kraemer," Dr. Mullender

advised. "Various federal officials have been quoted recently in the news as saying that from two to four billion dollars in additional funds is likely to be proposed by the Carter administration for public works to relieve unemployment. When these funds become available for application, it will strengthen our position to have the plans already developed."

"Even if the federal funding does not become available, or if we lose out in the application phase," Dr. Mullender continued, "it is important that the plans be developed so that any funds that may become available later can be applied to an overall, systematic renovation effort."

"We have been attempting to 'band-aid' these campuses out of general funds for several years, but it is increasingly evident that we cannot accomplish all that needs to be done by this approach. Regardless of the source of funding, therefore, the plans are needed."

The estimated amount of the renovation is \$3 million for Valencia and \$1 million for Kraemer.

Blaszczak Graduates

Clement "Sandy" Blaszczak, son of Mr. and Mrs. Frank Blaszczak of Yorba Linda, recently completed recruit training at ceremonies at the Naval Training Station in San Diego.

Blaszczak graduated in the top 10 per cent of 800 graduating recruits and was

meritoriously awarded the rate of Seaman Second Class for outstanding performance, moral courage and dedication to the U.S. Navy.

A graduate of Troy High School, Sandy also attended Cerritos College. His wife, the former Bonnie Ross, and their five-year-old daughter, Amber Lee, reside in Fullerton.

After completion of advanced seaman training, Sandy will be assigned to Group "A" service schools for further training.

Schools Plan Surplus Sale

Items ranging from typewriters to kilns are on sale at the Placentia Unified School District. Many of the items have been declared obsolete or beyond repair.

Included in the inventory are dictation transcription units, rotary calculators, 10 key electric adding machines, typewriters, 60-inch square kiddie bouncers, a piano, three electric kilns and transparency copiers.

Members of the community are invited to see the items at the district warehouse, 1214 Pine St., Placentia. Purchases may be made through the purchasing office at district headquarters, 1301 E. Orangethorpe Ave.

Meeting Scheduled

The annual congregation meeting of the Redeemer Lutheran Church, Placentia, will convene Sunday, January 23 at 5 p.m. at the church, the group advises.

A pizza dinner will follow in the Parish Hall at 6:30 p.m. Babysitting will be available, the church reports.

The show has a cast of 30. Portraying the major characters are Sally MacKain as Dorothy, Robin Taback and Doug Gamache as the Scarecrow, Ray Shirley as the Tinman, Marc Cherry as the Cowardly Lion, and Pam Mason and Toti Levine as

Troy Offers Own 'Oz'

The Troy High Drama Club will present an original adaptation of the "Wizard of Oz" on February 9, 10, 11, and 12 in the school lecture hall.

"Oz" differs from both the highly popular MGM version and the new black and white "The Wizard of Oz". It features a totally unique script and original music written by the students.

Dorothy, instead of being carried off by a tornado to the land of Oz, is discovered by a talent scout and whisked off to Hollywood, the land of the big movie producer, Oz.

There she meets all of the traditional characters, changed to fit their new surroundings. Together they dance down Hollywood Boulevard and follow "the stars".

The show has a cast of 30. Portraying the major characters are Sally MacKain as Dorothy, Robin Taback and Doug Gamache as the Scarecrow, Ray Shirley as the Tinman, Marc Cherry as the Cowardly Lion, and Pam Mason and Toti Levine as

the Wicked Witch and Lisa Martin and Lisette Gragg as the Good Witch.

Thomas Moore is the director and Kristy Roy will assist him. Greg Leech is directing the technical work.

For all four nights the tickets will cost \$2 for adults and \$1.50 for students. For both Friday and Saturday

matinees, the tickets will cost \$1.50 for adults and \$1 for students.

Curtain times are 7:30 on Wednesday and Thursday nights, and 8 on Friday and Saturday nights. The Friday and Saturday matinees will begin at 2 p.m. For further information please call 879-7880. Group rates are available.

Library Film Shows For Young

The Placentia Library District at 411 East Chapman Avenue, will screen the following children's films at 2 p.m. on Saturday, January 22, in the library's meeting room: "Pancho," "Tale of Custard The Dragon," "Naughty Owlet," "Five Chinese Brothers," and "The Crying Red Giant."

Although these films are a part of the Placentia Library District's Saturday Film and Lecture Series,

which is designed for youths 8 to 12 years old, these particular films will appeal to younger children especially, the library advises. All young people are welcome.

SPEAKER—Yorba Linda resident Lillian Goodman, left, president of the UCI Medical Center Auxiliary, talks with Doris Elliott and Fred Owens at a recent orientation program for new volunteers. Mrs. Goodman discussed the auxiliary's role in providing service for patients.

No New Schools Eyed

No new junior or senior high schools should be planned for the immediate future, but existing facilities

should be built up with portables, according to a recommendation to Placentia Unified School District

CHOSEN TO LEAD the Orange County chapter of the California Special Districts Association at the group's meeting Wednesday night was Lee McClendon who is a trustee of the Yorba Linda Library District. McClendon also is a candidate in the upcoming March 8 election for trustees on the North Orange County Community College District Board of Trustees. His contention is for District Three, which includes Placentia and Yorba Linda. The special districts meeting was held at the Yorba Linda Library.

trustees from the Educational Facilities Planning Committee.

The EFPC is a board-appointed lay committee which studies district population and facilities and points out problems and makes recommendations to the board.

The recommendation, as outlined by Chairperson Barbara Williams, addresses immediate solutions to overcrowding at some sites and notes, "The enrollment facts of the fall 1977 and a new growth projection should be examined again after a pre-K census."

Portables should be used to bring junior high capacities from the present 900 to 1,200 students and senior highs from 1,800 to

2,400. Tuffree, Yorba and El Dorado already are accommodating more than originally planned through flexible use of facilities and portables.

One of the advantages to

using portables is the ability to "gather them up" from schools with declining enrollment and create an "instant school" in a fast-growing area. Mrs. Williams noted.

KATIE'S COLUMN

DOWN ON THE FARM

by Kay Starr

The American Farm Bureau annual meeting has been happening in Hawaii. Perhaps you have read about what Shirley Temple Black told the members how to ease their problems—raise "fattish" Well, maybe so and then again, maybe not.

In our area I think worm growing is safer. Needless to say, I did not get to this annual meeting. A postcard postmarked from Honolulu had to do.

In the same mail delivery was a nice big thick mamula envelope postmarked Cortland, New York. Inside were two newspapers and a 4-page letter from a fellow tree grower and writer whom I met while at the National Christmas Tree Association meeting last August.

Cleland Cook is a regular contributor and editor of the "American Christmas Tree Journal" as well as a regular columnist for the Cortland "Democrat." He mentioned me in his column, and I am doing the same. This could be the start of a chain reaction.

So many details about his tree farm in his letter. Name of farm is "Heating Hills," the area is surrounded by mountains, the weather is 12 above and much more. A Christmas article, he wrote tells of his feelings the year his mother prepared for the holiday knowing it would probably be her last.

His joy at the wild Hemlock Christmas tree, then the absence of a tree the following year along with the absence of his mother. The ensuing vow

that he would always have a tree was kept over 50 years.

For those of you who already have your micro-wave ovens, (sober), a reminder about a class, "Slim and Easy," learning about low-calorie and low carbohydrate food preparation on January 31st, 7:10 p.m. at the Holiday Inn, 3131 Bristol, Costa Mesa, or Wednesday, February 2 at the Holiday Inn, 222 W. Houston, Fullerton. Samples at each class.

Registration is by writing to Frances Bell, 5921 N. Lakewood Blvd. Lakewood 90712. A fee is being asked. We could use a few more handprints, taking on our heads. The farmers and skiers would appreciate the help in securing some more moisture. Maybe if we did not do so much covering of the ground with asphalt and concrete the cycle would be better.

How about a greenbelt along the center divider of all freeways? That would help get rid of the ugly look of the trash.

YOUR Pharmacist SPEAKS

By John Payne,
Owner, Reg. Pharmacist
LINDA VISTA PHARMACY

Would you like to be eight feet tall and take over the Chicago Bulls? Or on any basketball team, it just might be possible. A Chicago doctor has found that abnormally short children often suffer from a shortage of a rare human growth hormone, designated as HGH.

This hormone can double the growth rate of a child, from two inches a year to four inches or more, until normal height is reached. There are no plans to produce a race of giants. HGH is a very rare present but the search goes on for an inexpensive synthetic equivalent.

There's no substitute for our prompt, precise, prescription service. Let us be your health care headquarters here at LINDA VISTA PHARMACY, where prescriptions are a specialty.

HANDY HINT: Candles used only for decorative purposes can be kept in condition by giving them a coat of shellac. Clean by wiping with a damp cloth.

CANDIDATES—Harriet Perry of Preceptor Delta Alpha Chapter and Billie Smith of Omicron Chapter, both of Yorba Linda, are princesses for the title of Valentine Queen of NOC Council. Beta Sigma Phi at the annual Ball on February 12. (Debbie Conkey Photo)

Beta Sigma Phi Valentine Ball

"Sunshine and Roses" is the theme of the Northern Orange County Council, Beta Sigma Phi, formal Valentine Ball to take place February 12, at the Santa Ana Moose Lodge.

Dancing will be from 9 p.m. to 1 a.m. Highlight of the evening will be the crowning of the 1977 Queen by reigning Queen Mrs. Jay Lightsey, Anaheim, Gamma Alpha Xi.

Princesses to be presented by chapters include Mrs. Ed Smith, Yorba Linda, Upsilon Omicron and Mrs. Joe Perry, Yorba Linda, Preceptor Delta Alpha.

Mrs. Keith Drum is

chairman of the event, with co-chairman, Mrs. Linnea Jonsson, a member of Zeta Lambda chapter. Mrs. Fifteen Ware, Xi Iota Phi, is in charge of reservations and table assignments. Publicity is being done by NOCC publicity chairman Mrs. Nancy Glomboske, Placentia, a member of Xi Theta Psi.

Announcements of the Valentine Ball have been distributed to Newport Harbor Area Council, Westgrove Area Council, Santa Ana City Council, Saddleback Valley Council and to the executive board members of the Orange Coast California Council.

Fashion Show

A unique combination of membership and fashions will be the center of attention Wednesday, February 9, at the annual Membership Tea of the Yorba Linda Federated Republican Women to be held in the home of Mrs. Robert Clemmer, 5332 Euclid, Hill Drive, Yorba Linda.

The fashion show will be presented by Dee Dee's Duds of Yorba Linda and Jackie Harker, president of the California Federation of Republican Women, will be special guest speaker.

Ellie Clark, membership chairman is general chairman of the event assisted by Sonia Dailey, hospitality; Jo Bramlett, invitations; and Jean Carlson and Jackie Yellon, membership table.

Education of Republican Women is the club's main function and regularly scheduled meetings are held on the second Wednesday of each month. Meetings feature excellent programs with guest speakers.

The club will hold their annual bridge luncheon Wednesday, April 13, in members' homes.

For further information concerning Republican Women please call Jo Bramlett, 528-8056; Irene Minard, 524-9649 or Ellie Clark, 524-0410.

Library Friends

The Friends of the Yorba Linda Library will meet Thursday, January 27, at 7:30 p.m. in the library director's office.

President Pat Baur will discuss plans for the upcoming year and the annual book sale to be held at the library on Saturday, May 7.

Meeting is open to all active and sustaining members and those in the community interested in supporting the library.

For further information call the president at 993-3786 or Virginia Kroenlein at 528-8677.

Pat Baur was a recent guest panelist at the State of California's Library Association Conference held at the Marriott Hotel in Los Angeles attended by more than 400 Friends. Topic for the panel was "Better Friends through Better Understanding."

Art Auction Scheduled

The Placentia Round Table in cooperation with the Junior Round Table will be welcoming guests to their Annual Art Auction, Friday night January 28, at the Round Table Clubhouse, 901 N. Bradford, Placentia.

From 7:30 p.m. those present will have an opportunity to preview the display of original art as well as enjoy champagne and hors d'oeuvres.

The Robert Sills Gallery of North Hollywood will present the exhibit and auction. Their collection, to be offered, consists of original lithographs, etchings, water colors and oils from many countries. Each work is framed.

The auction will begin at 9 p.m. and admission is \$1.50 a person. A painting will be awarded as a door prize and free catalogues will be available for guests who wish to study or examine the art work.

Tickets for the event may be obtained from any member of the Placentia Round Table or Junior Round Table or by calling 993-5103.

A WINE AND CHEESE PARTY will be held by supporters of Guy Ehrich, to raise funds for his candidacy to the Placentia Unified School District board. The event is being sponsored by the Committee to Elect Guy Ehrich and the fundraiser is scheduled for Friday, January 21 from 7:30 p.m. to 10 p.m. at the home of Carol and Nelse Fizzard, 1812 Geeting Place, Placentia. Tickets are \$5 a couple. Further information is available from Al Barlow at 524-0370; Kay Haskell at 528-4783 or Carol Fizzard at 524-2761. In the picture are Ehrich, Bill Haskell and Millie Villavicencio.

Heritage Committee Sets Meeting

A general meeting and election of officers for the Placentia Heritage Festival Days committee will be held Thursday, January 20 at 8 p.m. at Koch Park.

Peggy Dracoules, president of the board, said that

a report will be given on the festival last year, the parade and the carnival. A treasurer's report also will be on the agenda, treasurer Allan Ford outlined.

Plans also will be made for the festival days

activities in 1977. Mrs. Dracoules added and decision made as to whether the group will again sponsor a carnival.

The meeting is open to the public.

Merit Technology Applied To 100mm Cigarette.

'Enriched Flavor' process adapted to new low tar 100mm cigarette with remarkable success.

MERIT established a whole new taste standard for low tar smoking.

If you smoke but haven't chosen to take advantage of the MERIT breakthrough because you prefer a longer length cigarette, you'll be interested.

Because now there's a MERIT for you, too. New MERIT 100's. Only 12 mg. of tar. Yet packed with extra flavor. The kind of flavor that makes "low tar, good taste" a reality for 100's smokers.

'Enriched Flavor' Tobacco

Like MERIT, MERIT 100's are packed with 'Enriched Flavor' tobacco. Tobacco fortified with certain key flavor-rich ingredients isolated in cigarette smoke, and

proven to deliver taste way out of proportion to tar.

We taste-tested MERIT 100's against some of the toughest competition we could find: higher tar 100mm cigarettes.

Here are the results.

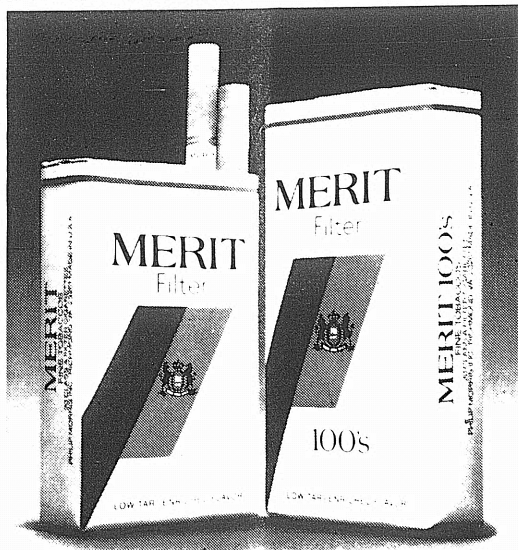

Test Data Conclusive

New 12 mg. tar MERIT 100's were taste-tested against a number of major 100mm brands ranging from 17 mg. to 19 mg. tar.

Thousands of smokers were tested.* The results: overall, they liked the taste of MERIT 100's as much as the higher tar 100mm brands tested.

MERIT and MERIT MENTHOL. King Size and new 100's.

The taste barrier for low tar smoking has been broken again.

MERIT & MERIT MENTHOL. KINGS & 100's.

MERIT 100's

© Philip Morris Inc. 1977

Kings: 9 mg. "tar," 0.7 mg. nicotine—
100's: 12 mg. "tar," 0.9 mg. nicotine av. per cigarette by FTC Method.

COME HELP US BUILD
A GREAT
CHARISMATIC CHURCH

"A Beautiful Worship Experience"

Comments from Calvary

by Dr. R.W. Cunningham

HOW MUCH IS A CHILD WORTH?

To some people, not very much! To the auto insurance company, he's a bad risk! To the patrolman, he's a hot Roddin' kid with too much time and speed on his hands! To the politician, he's a future tax payer! To the teacher, he's a disciplinary problem! To some parents, he is a tax deduction. BUT

To Calvary Baptist Church he's the gauge of what our church will be in a few years. This is why we have A GOOD PROGRAM FOR YOUTH. We do not entertain nor humor them. We have a Bible class for every age. We have many extra activities to challenge and inspire them. We have a regularly scheduled time to visit for new children. Our Teen and College Departments are among the finest to be found anywhere.

ARE YOU INTERESTED IN YOUR CHILDREN'S FUTURE? I'm quite sure you are. WE PROMISE to help them in a positive way if you bring them to CALVARY BAPTIST CHURCH.

MORE SPORTS ON PAGE 14

TWO POINTS—Tiger Bob Zamora jumps clear for a successful shot as Mike Martin attempts a block and Rob Linn anxiously awaits the outcome. The Tigers led throughout the game until the Hawks came from behind with 4 seconds left to play.

BATTLE FOR THE BALL—Hawk Tod Boorman, second from left, knocked the ball away from Jim Olivier as Olivier drove for the basket. Starting to react are Paul Gilbert, John Heller, and Bob Zamora. Gilbert made the recovery and drove on in for the basket.

Hawks Steal One From Tigers

by Brian Hilderbrand

Steve Peacock sank two clutch free throws with four seconds left in the game to lift El Dorado over Valencia, 40-39, in Orange League action Friday night.

The win improved the Hawks' record to 10-5 on the season, and a perfect 4-0 in league. ED is in sole possession of first place, one-and-a-half games ahead of La Habra and Fullerton. The latter two hold 3-1 league records.

Peacock's charity shots put the Hawks in the lead for the first time since the initial period. With the score tied 4-4, John Heller connected on a jump shot, putting ED in front, 6-4. The Tigers, however, came back with a pair of free throws and two buckets to pass their guests. By the close of the period, Valencia held a slim 20-14 advantage.

Bob Zamora, the Tigers' 6'1" forward, hit on four of

five shot attempts from the field to pace VHS with eight points in the first quarter.

Both teams exchanged baskets in the second stanza, but the Hawks put in one more point (eight) than Valencia. The Tigers' halftime lead dropped to a five-point advantage, 27-22.

In the third period, El Dorado outscored the Tigers 10 to 7. Eight of ED's points came on 17-foot jumpers by Peacock. The Golden Hawks' deficit at the end of the third period was a mere two points (34-32).

The fourth period proved to be the turning point in the game. Valencia had several chances in the final two minutes to put the game away, but couldn't use them to their advantage.

With 1:18 showing on the clock, and the score 39-38 Valencia, the Tigers' Jim Olivier had a one-plus-one situation, but failed to sink the initial shot. Again, with

59 seconds to play, Zamora had a 1 plus 1 opportunity, but couldn't put one in.

Valencia's last chance to put the game out of reach was another 1 plus 1 situation with 20 seconds left. Paul Gilbert missed the shot, and ED's John Heller gathered in the rebound and took it down court. The Hawks called a time out with 12 seconds remaining.

On the inbound play following the time out, Jim Babcock passed into Peacock. As Peacock drove in for a shot, he was fouled by the Tigers' Stan Davis.

Peacock calmly put the pair of free throws in as the El Dorado fans cheered to a deafening level.

"Our kids never quit", summed up El Dorado coach Nash Rivera. "We got good shots in the last period; but the ball just wouldn't go in."

Valencia coach Ray Rodriguez had much the same attitude. "I'm proud of our

guys. We played a real tough ball game."

Rodriguez added that they shouldn't be counted out of the league race, stating: "We'll come back; we're not out of it yet."

Peacock led the Hawks' offensive attack with 14 points. Heller, who had his hands full controlling Gilbert, finished with 10 points (all in the first half). Rick Hayes added six points to the cause, while Mike Martin and Jim Babcock put in four apiece. Tod Boorman ended the game with two points.

El Dorado was without the services of starting forward Joe Martin, who was recovering from a rotated pelvis. Martin underwent treatment and was expected to play in the Hawks' battle with Fullerton last night. Martin has proved to be a valuable asset in the Hawks' game plan.

Gilbert and Zamora shared high scoring honors for Valencia, with 10 points apiece. Frank Martinez and Mike McCall each added six points.

CUP WINNERS—The Yorba Linda Dusters won the title in Girls Division 1 in the Junior United Soccer Association cup playoffs. Front, from left: Andrea Rohwer, Pam Kamin, Tracey Falletta, Lisa Coscino, Hollis Cruse, Jan Curtis, Jill Jordan, Wendy Jones. Rear, from left: Manager Bev Kearns, Jamie Kearns, Karen Hedlund, Carrie Corr, Cindy Rasberry, Carol Gentry, Robin Kott, Coach Pat Whelan. The Dusters had a perfect 15-0 season with 73 goals to their opponent's 11. They also won the league championship.

Tiger Talk

Club Display

Come Together presents the many clubs offered on the Valencia campus on Wednesday, Jan. 19 at 7:30 p.m. in the VHS cafeteria.

The Parent-Teacher Association (PTA) sponsored program will feature the Tiger Band and Choral groups. An exhibit of the clubs on campus will follow with refreshments served.

Inter-Club Council (ICC) president, Carl Hill said, "this program should inform the public of what Valencia has to offer."

The public is welcome to attend.

Trash Can Art

A group of concerned Valencians will enhance the beauty of the Valencia campus while others relax on a usual Saturday.

VHS Student Council, class officers and senators

plan to create an artful touch to trash cans with paints and Valencia insignias. The activity begins at 10 a.m. on Saturday, January 22.

A barbecue will follow the hard day of work.

Chances Good

With a 1-2 standing the Valencia Varsity Basketball team is beginning its last five weeks of the league season.

White shoe polish is handy for removing scratches on woodwork.

A good scrubbing with table salt removes stubborn tea and coffee stains from cups.

Try an old toothbrush on those hard-to-get corners of ashtrays.

To prevent staining from forming on the bathtub, rub a bar of soap around the tub before filling it. Water softening is a free too.

Barish shiner or codders from a pan by rinsing with vinegar while the pan is still hot.

Troy Grapplers Lose

by Scott Emblidge

In their second match of the season Troy High School's varsity wrestling team looked like anything but a team which has a chance of winning the Freeway League wrestling championship.

The Warriors dropped a 33-24 decision to Buena Park last Thursday evening in the Coyotes gym, and it was obvious that a much better performance will be needed to defeat Sunny Hills a week from tomorrow.

Against Buena Park things were looking dismal from the start. 98 pound Dennis Danell was pinned by his opponent at the end of the final round and Gene Grand and Nick Ferrante each lost decisions.

These three early losses started Troy out with a 12-0 deficit, but Stuart Haskins started to make up for it. Haskins, wrestling at 123 pounds, pinned his adversary in the opening round to bring the score to 6-12.

Haskins had been wrestling at heavier weights all year and had to lose a lot of weight for this match. Even though he was wrestling under his normal weight, he put in one of the night's best performances.

At 130 pounds, Charley Godard had the same problems as Haskins. He

had to lose quite a bit to get down for the match. Godard had also had a few weeks off from practice due to a knee injury and these two facts showed in his sub-par performance. Godard came up short on a 5-2 decision and that increased the Coyotes lead to 15-6.

Jim Baldwin kept his undefeated record alive by recording his second pin in as many Freeway League matches. Baldwin's pin came with three seconds left in the first round and closed Troy to a 12-15 margin.

John Schmidt and Brad Barrow, wrestling at 141 and 148 pounds, respectively, each lost their matches to keep Troy behind Schmidt lost by a pin and team co-captain Barrow lost

a 10-4 decision.

Albert Bushala trailed in the 157 pound division match until the final period where he came back to win a close 10-9 decision. Roger Norton then took an 8-7 decision at 168 pounds to bring the margin to 18-24.

John Bostwick lost his match at 178 pounds (17) and the Warriors had to forfeit the match at 194 pounds. This put Troy out of reach and even though Terry Slatic recorded a second round pin in the heavyweight division, Troy lost 33-24.

Troy goes against Magalia tomorrow night in the Warrior's gym. Admission is free with the J.V. match beginning at 5:30 and varsity commencing at approximately 7 p.m.

Just moved in? I can help you out.

Don't worry and wonder about learning your way around town. Or what to see and do. Or whom to ask. As your WELCOME WAGON Hostess, I can simplify the business of getting settled. Help you begin to enjoy your new town... good shopping, local attractions, community opportunities.

And my basket is full of useful gifts to please your family.

Take a break from unpacking and call me.

ADDED FURY could have been the deciding factor in the wrestling meeting recently between Valencia High School and La Quinta won by the Tigers. The meet was decided by the heavy weight match [picture below] when Jim Wallace of Valencia pinned his La Quinta opponent, after, he complained, his opponent bit him. In the picture above, adding to the total score of 35 to 28, Valencia's favor, is Valencian Rick Lindenmuth pinning his La Quinta opponent. [Photos by Dan Geduld].

Bob-ett Softball Registration will be extended to January 23 the group reports. Girls third through sixth grades should contact Eula Mae McLaughlin at 528-6471. Girls seventh through twelfth grades may call Gerry Knutson at 524-1641. Here mother Kathy Coleman checks daughter Kellie's registration forms for the 1977 Bob-ett season.

Hawk Wrestlers Pin Canyon

by Brian Hilderbrand

El Dorado took the first four weight classes, and six of the initial eight to score a 32-21 victory over the Canyon Comanches in Orange League wrestling.

Kerry Iwanaga started off for the Golden Hawks with an 8-3 decision over Ray Mason in the 97-pound division. ED held a 3-0 advantage with that win.

In the 105 class, Kevin Iwanaga won on a pin 1:48 into the first period. Iwanaga's six-pointer over Curt Eddy raised the Hawks' team score to 9-0.

Mark Rickard racked up four more team points for El Dorado by an overwhelming 13-4 decision against Dan Hancock. The Hawks team score stood at 13-0 after the 113-lb. class.

Keith Iwanaga, a CIF champion last year, scored the Hawks second pin of the night against Mike Velez. The pin came, coincidentally, at the same time as his brother's pin, 1:48 into the first period.

El Dorado lost both the

129 and 135 weight divisions via decisions. Rob Wallstrom was defeated by Brad Johnson, 10-3. Ironically, Johnson wrestled for El Dorado last year, before moving.

Canyon's Ron Uematsu won the 135 class by defeating Tom Wachter, 8-4. The win cut ED's team score lead to 19-6.

Paul McClusky of El Dorado took the 140-lb. class with a slim 4-2 decision over Canyon's Gary Walker. Jeff Hickok gave ED a 26-6 margin by dumping his opponent, Mars Olsen, 13-4, in the 147-lb. division.

The Hawks lost the next three classes to Canyon, as the Hawks' margin slipped to 26-15.

Derek Hood scored a 6-3 decision over Nick Stephens in the 150-lb. category. Brad Haskins lost 5-0 to Vic Ouellette in the 167 class, and Jeff Swanson dropped a close 5-4 match to Mike Barro in the 177 division.

Scot Speck picked up the Hawks final win of the

contest by pinning Randy Kunert with 1:41 left in the first period. The pin gave ED six crucial points, which offset a Hawk forfeit in the heavyweight division. The score stood at 32-31 after all the weight classes had finished.

El Dorado will meet Esperanza in the Hawks' gym tonight at 6 p.m. for frosh-soph and JV. The varsity match is scheduled for 7 p.m.

RESULTS

97—Kerry Iwanaga (ED) 8-3 dec. Mason; 105—Kevin Iwanaga (ED) pinned Eddy 1:48; 113—Rickard (ED) 13-4 dec. Hancock; 122—Keith Iwanaga (ED) pinned Velez 1:48; 129—Johnson (C) 10-3 dec. Wallstrom; 135—Uematsu (C) 8-4 dec. Wachter; 140—McClusky (ED) 4-2 dec. Walker; 147—Hickok (ED) 13-4 dec. Olsen; 150—Hood (C) 6-3 dec. Stephens; 167—Ouellette (C) 5-0 dec. Haskins; 177—Barro (C) 5-4 dec. Swanson; 193—Speck (ED) pinned Kunert 1:41; HWL—Lamb (C) by forfeit.

Hawk JVs Have Seven Hits

by Brian Hilderbrand

Down 10-6 midway through the first period, El Dorado's junior varsity basketball team ran off 15 straight points to lead the Valencia Tigers 21-10 at the close of the period and take a 70-44 Orange League win.

It was, again, a case of excellent substitution play that enabled the Hawks to win their seventh consecutive game and remain tied for the league lead with La Habra, both sporting 4-0 records. ED's season record now stands at 11-3 (as of Friday). For El Dorado, it was their 30th consecutive OL win.

Brad Shupe, starting for Chris Dressel (who was elevated to varsity), poured in eight during the 15 point spree.

Reid Poole, a 6'6" center, put in the tying basket with a little over two minutes left to play. El Dorado got the ball back on a turnover and called time with the score tied 10-10.

El Dorado came out from the break and put in 11 more points. A three-point play by John Boyd with one second left on the clock made the score 21-10, Hawks' favor.

The Hawks outscored their hosts 13-7 in the second quarter, and held a commanding 34-17 halftime lead.

Poole and Dave Stipe both scored four points in the third period, as El Dorado increased their lead to 53-29 at the close of the quarter.

Ron Tagney paced the Hawks with six points in the fourth stanza as El Dorado outscored the Tigers 17-15, producing the 70-44 final.

Shupe turned in the high scoring game for El Dorado with 13. Poole put in 11, and both Tagney and Boyd had six point performances.

Stipe tallied seven, while Bruce Brown added six. Garry Hughes came off the bench and racked up five points. Hughes sank a pair of charity tosses with 1:40 to play in the third to

give ED its biggest lead of the period, 50-21.

Other scorers for the Hawks were: Chris Burner (4), Sam McManis (4), Bob Congdon (3), and Ron Stevens (1).

Top scorer for Valencia was Wendall Williams with 14 points.

El Dorado 21 13 19 17-70

Valencia 10 7 12 15-44

Soccer Winners Named

Each season the Junior United Soccer Association conducts a single game elimination, championship cup series immediately following the regular season play.

Every team competes in this series with all games played within each division.

Teams are drawn randomly to determine schedule and opponent. Champs and finalists are: Boys Division I—Brea Skyhawks-3; Placentia Earthquakes-0; Boys Division II—Brea Cosmos-2; Yorba Linda Lions-0; Boys Division III—Yorba Linda Spurs-4; Placentia Tornados-2; Boys Division IV—Placentia Shamrocks-3; Yorba Linda Wildcats-1; Boys Division V—Fullerton Marlins-1; Placentia Sharks-0; Boys Division VI—Yorba Linda Seminoles-3; Placentia Atoms-2.

Girls Division I—Yorba Linda Dusters-4; Anaheim Goalstrickers-0; Girls Division II—Anaheim Kickabouts-2; Anaheim Alkasefters-1; Girls Division III—Placentia Pacesetters-1; Placentia Whirlwinds-0; Girls Division IV—Placentia Soccer Dolls-1; Yorba Linda Bubblegummers-0.

Sewing Contest Open To Teens

Members of the Placentia Junior Round Table invite all local high school girls that like to sew to enter an annual sewing contest.

Any article of clothing, constructed within the last six months, is eligible. Deadline for entries is Friday, January 21st.

For details and judging sheets, contact Linda English, Sewing Contest Chairman at 993-0293. High school winners will receive a \$50 Savings Bond and be eligible to compete in Orange District competition.

Fast Food

(Continued from Page 1)

he might be in favor of a restaurant at that location but predicted that a fast food facility would generate considerable additional traffic.

Mentioned also were that the restaurant appeared inconsistent with other business firms already located in the shopping development, that high school students from open campuses would crowd the area at noon time, and the problems of entering and exiting the shopping center directly across the street from the school. Parking space also was listed as a consideration.

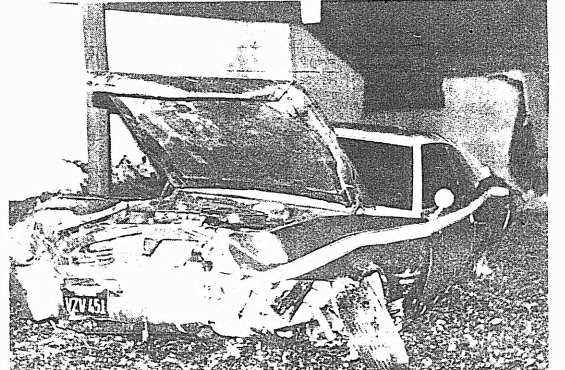

Commissioners after voicing their opinions, voted unanimously to deny the use. The owners of Jack-in-the-Box have the legal right to appeal the decision to the Placentia City Council.

EYES ON GOAL—Rick Garland moves to the wall on the breaststroke leg of the individual medley relay in the El Dorado relays Saturday. Garland broke the one minute mark for his 100 IM and aided the ED cause. The Hawks finished second in that relay, the varsity meet, and the frosh-soph meet.

QUICK BREATH—Hawk Bob Sellers grabs a quick breath on the breast stroke to freestyle turn as he anchored the varsity individual medley relay which placed second in the El Dorado relay meet Saturday. ED placed second in the meet.

WORSE FOR WEAR—the car driven by Mark Dwayne Coss suffered considerable damage after its flight as cross Yorba Linda Boulevard. Coss was arrested, charged with drunk driving and booked in the Orange County jail.

Petition Made For Bradford House

(Continued from Page 1)

tailed to date, and whereas the voters of the City of Placentia have indicated that taxpayers' funds are not to be used to preserve said house, and whereas, the City Council of Placentia has voted to have said house removed or demolished, and has invited bids for said removal or demolition.

The Placentia Founders Society does hereby petition the City Council of the City of Placentia to

case said Bradford House to said society for the sum of one dollar per year with said Society assigning all costs for preservation, insurance, maintenance, etc., incurred thereby.

This petition was approved pursuant to a resolution of the Placentia Founders Society board of directors meeting duly called and the unanimous vote of said board on January 12, 1977.

The Founders Society is scheduled to hold an election meeting Wednesday night January 18 in the Law Library at Westminster Law offices located at 701 Yorba Linda Boulevard, Placentia. Meeting time is 7:30 p.m.

Board members wish that the vote of the council's action in the society's next minutes. If the council vote is in favor of granting the petition to the Founders Society, immediate work will begin on organizing the advisory board and launching a campaign to recruit members out there.

The house, which was built in 1904 was the family home of Albert Sumner Bradford, designated as the founder of the City of Placentia. It is located on the abandoned part of Palm Drive between Kraemer Boulevard and Bradford Avenue in 2 1/2 acres of ground.

A HAPPY HOME for many years for David and Alma Dennis was the stately Bradford House on the extension of Palm Drive. The house, now in danger of being demolished, brings back many memories to the Dennises who became part of the family when they lived in the house and took care of it. They will be celebrating their fiftieth wedding anniversary on February 11. With them here is Clairee Tynes, one of the community leaders spearheading an effort to save the home.

Warrior Hoopsters Fail

by Scott Emblidge

Troy High School's basketball team won their season opener but it would appear that they don't want to win any more games. After losing to Sunny Hills 43-42, they dropped two more close games last week.

Last Tuesday Magnolia defeated Troy 59-55 and Friday evening, Western beat the Warriors 56-55.

In the Magnolia game, Troy led the entire game until, with under a minute remaining, the Sentinels took the lead 51-55. The Warriors led by as many as eight points twice in the final period but Magnolia scored the final eight points of the game to gain their first Freeway League victory.

Magnolia forward Tony Boldt and guard Dave Arneson led all scorers with 20 points each. Top scorers for Troy were guard Kirby Sand and forward Ralph Castle with 12 points apiece and forward Joey Harris with 10.

Against Western the Warriors scored the first two points but that was the only lead they were to have in the game. Western controlled the tempo of the game most of the way and the Pioneers were able to successfully stop Troy's attempted rallies.

The Warriors fell behind by seven points in the first quarter but late baskets by guard Kirby Sand and forward Kevin Craven

brought Troy to within three, 11-14.

Midway through the second quarter, Troy again shaved down Western's lead. The Pioneers held a 20-15 advantage but Sand hit two free throws and senior guard Casey Royer hit his second basket to bring the Warriors within a point.

But the Pioneers stopped Troy's run, scoring five straight points. Jim Carlson's bucket at the close of the second quarter made the score 25-21 at the half.

The Warriors tied the game at 27 apiece at the start of the second half but again Western countered.

The Pioneers ran off nine unanswered points to bring the score to 35-27.

Royer scored to bring Troy within four at the start

of the final quarter and after Ralph Castle scored, was fouled again and made the shot, the score was 42-39.

After a Pioneer free throw, Steve Castle scored to bring the margin to only two points. Again Western pulled away to 50-43 but forwards Ralph Castle and Kevin hit to put the Warriors deficit at just three points.

Western ran the score up to 54-49 with just 35 seconds remaining to apparently put the game out of Troy's reach. After center Mark Maynard scored with 15 seconds left.

With five seconds remaining and the score 54-53, Olhoeft had a chance to tie up the game. The pressure shot missed and as the ball bounced off the rim so did the Warrior's game.

Tigers Still In The Fight

by Coleen Cole

Beaten a week ago Tuesday by a tough Fullerton team, and losing a heartbreaker in the last four seconds to cross-town rival El Dorado, Valencia's Orange League record was put at one win, three losses.

Then only league win so far came when the Tigers battled a then second-ranked CIF hopeful, the La Habra Highlanders, the game some fans referred to as the "Match of the League."

Undoubtedly, though, the game that was played in the Valencia gym last Friday between the less-than-friendly Tiger and Hawk teams qualified to be the match to see, as proved by the standing-room-only crowd.

In the contest with the Hawks, the Tigers had a marginal six point lead at the end of the first quarter, and had a five point lead at the half, 27-22.

The game was lost for the Tigers when El Dorado guard Stephen Peacock calmly sank two free throws to put the Hawks ahead in the last four seconds, 40-39.

Outstanding performances for Valencia were turned in by forward Paul Gilbert, who collected ten points, forward Bob Zamora, who also scored ten points, guard Mike McCall, who turned in
